

## INSTRUCTIONS

Pursuant to the provisions of LSA-R.S. 51:1924(D)(6), each certified Louisiana capital company is required to submit a statement certifying the amount of certified capital that has yet to be invested according to the requirements of 1928(B)(1), (2), (3), or such other contractual agreements, if applicable.

OFI's [certified statement](#) must be used to provide the necessary certification. Any other manner of certification will not be accepted. The certified statement must be either received by this office or postmarked on or before September 1, 2004.

Should you have any questions concerning this statement, please call Doug Buras at (225) 922-2595.
